ASBA is an application containing an authorization given by the Investor to block the application money in his specified bank account towards the subscription of Units offered during the NFO of the Scheme of LIC Nomura Mutual Fund.

Thus, for an investor who applies through ASBA facility, the application money towards the subscription of Units shall be debited from his specified bank account only if his/her application is selected for allotment of Units.

Benefits of Applying through ASBA facility

- (i) Writing cheques and demand drafts is not required, as investor needs to submit ASBA application form accompanying an authorization to block the account to the extent of application money towards subscription of Units. The balance money, if any, in the account can be used for other purposes by the investors.
- (ii) Release/Unblocking of blocked funds after allotment is done instantaneously.
- (iii) Unlike other modes of payment, ASBA facility prevents the loss of interest income on the application money towards subscription of Units as it remains in the bank account of the investor till the allotment is made.
- (iv) Refund of money to the investors do not arise as the application money towards subscription of Units gets blocked only on the allotment of Units.
- (v) The investor deals with the known intermediary i.e. his/her own bank.
- (vi) The application form is simpler as the application form for ASBA will be different from the NFO application form.

ASBA Procedure

- (a) An Investor intending to subscribe to the Units of the NFO through ASBA shall submit a duly completed ASBA Application Form to a Self Certified Syndicate Bank (SCSB), with whom his/her bank account is maintained.
- (b) The ASBA Application Form towards the subscription of Units can be submitted through one of the following modes
Submit the form physically with the Designated Branches (DBs) of the SCSB ("Physical ASBA"); or
Submit the form electronically through the internet banking facility offered by the SCSB ("Electronic ASBA").

(c) An acknowledgement will be given by the SCSB in the form of the counter foil or specifying the application number for reference. Such acknowledgement does not guarantee, in any manner that the investors will be allotted the Units applied for.

Note: if the bank account specified in the ASBA Application Form does not have sufficient credit balance to meet the application money towards the subscription of Units, the Bank shall reject the ASBA Application form.

(d) On acceptance of Physical or Electronic ASBA, the SCSB shall block funds available in the bank account specified to the extent of the application money specified in the ASBA Application Form.

(e) The application money towards the Subscription of Units shall be blocked in the account until (i) Allotment of Units is made or (ii) Rejection of the application or (iii) Winding up of the Scheme, as the case may be.

(f) SCSBs shall unblock the bank accounts for (i) Transfer of requisite money to the Mutual Fund / Scheme bank account against each valid application on allotment or (ii) in case the application is rejected.

(g) The list of SCSBs and their DBs where ASBA application form can be submitted is available on the websites of BSE (www.bseindia.com), NSE (www.nseindia.com) and SEBI (www.sebi.gov.in).

Note: No request for withdrawal of ASBA application form made during the NFO Period will be allowed.

V. INVESTMENT VALUATION NORMS FOR SECURITIES AND OTHER ASSETS

PROCEDURE FOR TAKING INVESTMENT DECISIONS -4-:

Background

The Eighth Schedule to the Securities and Exchange Board of India (SEBI) Mutual Funds Regulations, 1996, together with various circulars issued by SEBI from time to time, prescribed the norms, methodology and guiding principles for valuation of investments held by Mutual Fund schemes. Valuation of securities was done in conformity with these valuation norms.

SEBI, vide Gazette Notification No. LAD-NRO/GN/2011-12/38/4290 dated February 21, 2012, has brought about certain amendments to Regulations 25 and 47 and to the Eighth Schedule to the Securities and Exchange Board of India (SEBI) Mutual Funds Regulations, 1996. The key highlights of these amendments are as below:

The valuation of investments should be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the securities/assets. The valuation should be done in good faith and in a true and fair manner, through appropriate valuation policies and procedures.

(b) The policies and procedures should identify the methodologies that will be used for valuing each type of security / asset held by the mutual fund schemes.

(c) Investment in new type of securities/assets by the mutual fund schemes should be made only after establishment of the valuation methodologies for such securities with the approval of the Investment and Valuation Committee.

(d) The assets held by mutual funds should be consistently valued according to policies and procedures.

(e) The valuation policies approved by the board of the Asset Management Company should seek to address conflict of interest.

(f) The guidelines and procedures should describe the process to deal with exceptional events, where market quotations are no longer reliable for a particular security.

(g) The policies need to be approved by the Board of the Asset Management Company.

(h) The valuation policies need to be periodically reviewed to ensure appropriateness and accuracy of the methodologies used and its effective implementation in valuing the securities/assets. Board of the Trustee Company and Board of the Asset Management Company should be updated on the outcome of the review, at appropriate intervals.

(i) The valuation policies, guidelines and procedures may be reviewed at least once in a financial year, by an independent auditor, to assess and confirm their continued appropriateness.

(j) The Asset Management Company and the sponsor of the mutual fund will be liable to compensate the affected investors and/or the scheme for any unfair treatment to any investors as a result of inappropriate valuation.

While the amended regulations mandate AMCs to establish valuation policies and procedures, it also allows the AMC to deviate from these policies and procedures, where it is necessary and expedient to do so, to ensure a true and fair valuation. Accordingly, in the event of a conflict between the principles of fair valuation and valuation guidelines, the principles of fair valuation shall prevail.

Valuation Methodology

The standard valuation methodology for valuing each type of security/asset is explained in Annexure 1.

The methodology adopted for valuation of securities/assets is drawn in conformance with the principles of fair valuation and the SEBI Valuation Guidelines and valuation is done in good faith, in a true and fair manner, to reflect the realizable value of the security/asset.

Any changes to the valuation policy, procedures and methodology set out in Annexure I, would be progressive and prospective, with a view to fine-tune the valuations, so as to align with the guiding principles of fair valuation.

All assets held by the Fund shall be consistently valued according to the defined valuation methodology. Where it is observed that the methodology as per Annexure 1 does not lead to fair valuation of securities / assets, the Investment and Valuation Committee may, on a prospective basis, deviate from the defined methodology and adopt alternate procedures/methods to arrive at the fair value. The rationale for any such deviations would be recorded in writing and placed before the Board of Directors of the Trustee Company and the Asset Management Company and appropriate disclosures to the investors would be made.

Investments in any new type of securities/assets by the mutual fund scheme would be made only after establishment of the valuation methodologies for such securities/ assets, with the approval of the Investment and Valuation Committee.

If part of such net consideration is invested within the prescribed period in a residential house, then such gains would not be chargeable to tax on a proportionate basis. For this purpose, net consideration means full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

KNOW YOUR CUSTOMER (KYC) Compliance:

In terms of the Prevention of Money Laundering Act, 2002, the Rules issued there under and the guidelines/circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identity and address(es) of investors.

In order to bring about uniformity in the Know Your Customer (KYC) process in the securities market, Common KYC Application form and supporting documents shall be used by all SEBI registered intermediaries viz. Mutual Funds, Portfolio Managers, Depository Participants, Stock Brokers, Venture Capital Funds, Collective Investors Schemes, etc. Further, to avoid duplication of KYC process across SEBI registered intermediaries, a mechanism for centralization of the KYC records in the securities market has been developed.

Accordingly, an intermediary shall perform the initial KYC of its clients and upload the details on the system of the KYC Registration Agency (KRA). When the client approaches another intermediary, the intermediary can verify and download the client's details from the system of the KRA. As a result, once the client has done KYC with a SEBI registered intermediary, he need not undergo the same process again with another intermediary. For regulating KRAs, SEBI has formulated the KYC Registration Agency (KRA) Regulations, 2011 which covers the registration of KRAs, functions and responsibilities of the KRAs and intermediaries, code of conduct, data security, etc.

KRA system centralizes KYC records in the securities market. To expand the centralized database of the KYC records of the entire securities market, KRAs are required to upload the KYC details of the existing clients of the intermediaries in the current KRA system, in a phased manner. Guidelines in this regard have been issued by SEBI in consultation with the major Stock Exchanges, Depositories, KRAs, AMFI Brokers' Associations and market participants.

In-Person Verification (IPV) of clients has been made mandatory for all SEBI registered intermediaries. Asset Management Companies (AMCs) and the distributors who comply with the certification process of National Institute of Securities Market (NISM) or Association of Mutual Funds (AMFI) and have undergone the process of 'Know Your Distributor (KYD)' can perform the IPV for mutual fund investors. However, where applications are received by the mutual funds directly from the clients (i.e. not through any distributor), the IPV performed by the scheduled

commercial banks can be relied on. The IPV carried out by any SEBI registered intermediary can be relied upon by the Mutual Fund.

Units held in physical (non-demat) form: Investors should note that it is mandatory for all subscription(s) viz.- (a) Purchases; (b) Switches; (c) Registrations for Systematic Investments viz. Systematic Investment Plan (SIP), Systematic Transfer Plan (STP), Dividend Transfer Plan(DTP) etc., irrespective of the amount of investment (except for investments through Micro Systematic Investment Plan (SIP) upto INR50,000/- per year per investor) to be KYC Compliant.

Investors should quote the valid KYC Compliance Status and attach proof of KYC Compliance viz. KYC Acknowledgement Letter/Printout of KYC Compliance Status downloaded from the website www.cvlindia.com/www.cvlkra.com using the PAN.

Further, it is also mandatory for the Third Party to quote the KYC Compliance Status and attach proof of KYC Compliance. Third Party means any person making payment towards subscription of units in the name of the Beneficial Investor. In the event of non compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s) and affect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to payment of exit load, if any.

All investors (both individual and non-individual) can apply for KYC compliance. However, applicants should note that minors cannot apply for KYC compliance and any investment in the name of minors should be through a Guardian, who should be KYC compliant for the purpose of investing with a Mutual Fund. Also, applicants / unit holders intending to apply for units / currently holding units and operating their Mutual Fund folios through a Power of Attorney (PoA) must ensure that the issuer of the PoA and the holder of the PoA must mention their KYC compliance status at the time of investment. PoA holders are not permitted to apply for KYC compliance on behalf of the issuer of the PoA. Separate procedures are prescribed for change in name, address and other KYC related details, should the applicant desire to change such information.

For applicants who subscribe to the Units through Stock Exchange facility, the KYC performed by the Depository Participant of the applicants will be considered as KYC verification done by the Trustee / AMC.

Units held in Electronic (Demat) mode: For units held in demat form, the KYC performed by the Depository Participant of the applicants will be considered as KYC verification done by the Trustee / AMC.
