

We would like to draw your attention to the NSDL Circular # **NSDL/POLICY/2017/0021 dated April 12, 2017** regarding Linking of Demat Accounts of Individuals with their Aadhaar whereby it was informed that NSDL will provide an online facility for demat account holders to update their Aadhaar number directly in their demat accounts, which will be authenticated directly with UIDAI. Accordingly, all Participants are hereby informed that aforesaid facility to update Aadhaar number in demat account is developed by NSDL and made live with effect from March 14, 2018. Details of the facility is given below.

Updation of Aadhaar in demat account

1. What you need to keep handy?
 - a. Your Aadhaar number
 - b. Your PAN number
 - c. Your demat account number i.e. DP ID and Client ID.
 - d. Access to your mobile or email to receive your OTP
2. Your name as recorded on Aadhaar card should be exactly same as the name as recorded in your demat account. This will enable authentication with UIDAI database.
